Working Together To Save Lives

Founded in 1938, the SPCA of Texas is the leading animal welfare organization in North Texas, impacting over 50,000 pets and their people annually.

The SPCA of Texas operates two shelters, three spay/neuter and wellness clinics, two mobile spay/neuter clinics, one mobile adoption vehicle, and an animal rescue center, all located in Dallas and Collin Counties. We also maintain a team of animal cruelty investigators who respond to thousands of calls in multiple North Texas counties.

Moreover, the SPCA of Texas serves as an active resource center for an array of services that bring people and animals together to enrich each other’s lives.
Group Experience Overview

As a locally-based nonprofit, we do not receive any city, state, or federal funding, so your support is crucial to our mission of providing every animal with a loving home.

All group experiences include:

- In-depth presentation about the SPCA of Texas
- Behind-the-scenes tour of facility
- Meaningful volunteer activity
- Doggy meet-n-greet

Groups are offered Monday-Friday from 9am-4pm. Please contact us for information about weekend opportunities.

All donations must be paid in full prior to the scheduled event. Please ask about your grant and matching volunteer programs.

Volunteer activities do not include hands-on interaction with the animals in our care, but they are all very important for helping animals in need.
